NEW 8-week session

Through April 15

Attendance is mandatory and closed after first session!

7 p.m.

This open and ongoing inquiry into the nature of being male emphasizes the joys, privileges, and constraints of being a Jewish male in today's world. Designed to facilitate the unfolding of our uniqueness as individual males as well as our inseparability from and bond with other men; here is an opportunity to be a "man among men."

You are encouraged to take your mask off and learn how to be intimate with other men, build empowering relationships and support other men as only men can do for each other.

Current themes include: integrity, commitment, service, acknowledgment, appreciation and gratitude.

Come home to the brotherhood of men, and take your place as a man among men. All TAO men are invited to this unique strictly-male opportunity. Please call Dr. Richard Hey if you have any questions 954-806-6601.

Once a new eight-week session has begun, the group is closed to new members until the next session begins.

Facilitator

Dr. Richard Hey has been actively involved in the Men's movement on a variety of levels since 1984. He can be reached at 954-806-6601 or DrRichardHey@gmail.com.

Galia & Ocean Funds

In the spirit of Tzedakah, Paulina and Rabbi Marc set up two funds at TAO - a Galia fund and an Ocean fund. A portion of these funds will be used to send toys and other needed items to Jewish and non-Jewish organizations that serve children, including Jafco.

When you share your sweetness to celebrate Galia's birthday (December 6) and Ocean's birthday (June 28) and other occasions, please donate to TAO and specify the Galia or Ocean fund instead of generously offering toys, clothing and other gifts. In this way, children will benefit from your sweet generosity.

Paulina and Rabbi Marc will be informed that you gifted their children and performed an act of Tzedakah in their children's honor.

Both Paulina and Rabbi Marc appreciate the health, toys and love their children have and want to give others the opportunity to share as well. To donate, [click here](#), and indicate in the Notes box which fund (Galia or Ocean) this

To keep the ability to enjoy services at the Rabbi's home, please follow this parking procedure:

Please respect the neighbors if they should ask you to move your car or not park in their swale - even if they previously gave permission to park there. By being respectful of their wishes, we assure fewer problems in the future.

Myrna's Musings...

"I am filled with joy and fulfillment after last Saturday's yoga/meditation/chanting Shabbos Hour Retreat at the Rabbi's home. It set the tone for my entire week. I feel so lucky to be part of this incredible community.

"I used to think Friday night TAO services were the most precious place to touch God. The love and energy swirled and then rested and then gathered momentum and then quieted again and my soul connected.

"Then I found Saturday mornings at our private sanctuary in Davie. The music and the intimacy and the soulfulness touched me deeply, and I knew this was the most precious place for me to touch God in the presence of my beloved community.

"Then I returned to our sanctuary for a gentle

yoga/meditation/chanting morning, and I truly knew that this was my most precious place and time to open my heart to my God. My eyes filled with tears of joy and my soul filled with the love and fulfillment that sacred silence in the presence of loved ones can bring.

"I find the connection in many places, the mountains in the early morning, walking with a loved one on the beach, the silence of the in-between places of my life. How grateful I am to be able to share this incredibly loving God space. And I am so grateful that I know it. Really know it."

May 27 - Summer Internship Application
Due

June 21 - August 31, 2010

Isabella Freedman Summer Internship Program
Elat Chayyim Center for Jewish Spirituality

Take 10 weeks at Isabella Freedman Jewish Retreat Center in the foothills of the Berkshires to discover yourself through our unique internship program, incorporating: Jewish spiritual practice; healthy, natural living; service to others; and membership in a loving, inclusive community within which to connect deeply to Jewish life, learning, lore, and spirituality.

As an intern, you will give 36 hours each week of service to facilitate the experience of summer retreat participants. You will choose the study opportunities that interest you, and learn from great teachers of esoteric, spiritual, artistic, and grounded aspects of Judaism. You will help build a conscious community and develop personally motivating spiritual practices. You will have daily and weekly opportunities to explore meditation, yoga, communal prayer, organic gardening, Torah study, the great outdoors, and Shabbat.

Throughout the course of the program, you will dwell in a community rooted in emotional safety, mutual respect, and authentic sharing. This conscious community supports each individual's exploration of self, God, Jewish identity, and personal relationships in a vibrant, deep, and inclusive Jewish context.

Interns generally range in age from 20s to 60s. They come from all over the world and from diverse backgrounds with different levels of Jewish education and practice. Interns may work in recreation (lifeguard at pool and lake, nature hiking, rope course and rock scramble), arts and crafts, children's program, kitchen, housekeeping, retreat and A/V production, &/or guest services.

It is important that interested applicants are: willing and able to work hard and to see work itself as a spiritual practice; willing to co-create and participate wholeheartedly in a respectful and caring, multi-generational and diverse community of interns, staff members, teachers, and retreat participants.

The Internship program costs \$180 including work, all programs, very basic housing, and wholesome kosher meals. Spaces are limited. Acceptance into the program is at the sole discretion of the Summer Internship Coordinator and Isabella Freedman's executive leadership. The program is trans-denominational and inclusive.

Applying to the Program

Please visit [our website](#) for the 2010 Summer Internship Application. Email application to Rhonda Rosenheck at ECinternship@IsabellaFreedman.org. Admission is rolling, with no applications taken later than May 27, 2010.

The program application fee is \$80. If you are accepted as an intern and choose to participate in the program, this \$80 application fee will be applied towards the \$180 Internship Program fee. If you are not accepted into the Internship Program, we will refund your \$80 application fee.
