The greatest freedom of all is to realize you no longer need to live imprisoned by expectations and self-imposed limitations, for in that freedom you recognize your own divine nature, and the possibility of being everything.

It is with great joy and unimaginable relief to be able to announce the birth of our beautiful baby boy at 6:00 p.m. on Saturday, weighing 5 pounds 11 ounces. He was beautiful the moment he came out and seems to be getting cuter with every moment. Thank you all for your blessings and support.

NEW 8-week session

Through April 15

Attendance is mandatory and closed after first session!

7 p.m.

This open and ongoing inquiry into the nature of being male emphasizes the joys, privileges, and constraints of being a Jewish male in today's world. Designed to facilitate the unfolding of our uniqueness as individual males as well as our inseparability from and bond with other men; here is an opportunity to be a "man among men."

You are encouraged to take your mask off and learn how to be intimate with other men, build empowering relationships and support other men as only men can do for each other.

Current themes include: integrity, commitment, service, acknowledgment, appreciation and gratitude.

Come home to the brotherhood of men, and take your place as a man among men. All TAO men are invited to this unique strictly-male opportunity. Please call Dr. Richard Hey if you have any questions 954-806-6601.

Once a new eight-week session has begun, the group is closed to new members until the next session begins.

Please, whenever you are with them and whenever you think about them... see them as whole and perfect.

Danny Shia, Arnie Welber, Joseph Kugelman (father of Debbie Kugelman), Edythe Zimmerman, Miriam Zervas (Elyn's mother), Shayna Reeve bat Sara, Susan Gotlin; Masha bat Pnina, Chatz Feige bat Pnina (daughters of Pearl & Adam Atkin); Debbie Vincent, Florence Ross, Rabbi David Novak, Michael Antonelli, Linda Sharon Carroll, Joan Rosenwasser, Richard Grove, Abby Siegel, Joan Sadik, Rita Feuerman (Rhonda Hey's mother), Roberta Vogel (Sister of Rick Vogel), Maxine Brodsky (Malcha Bat Fraeda), Wayne Abbott, Steve Covert, Ilene Joseph, Ron Price, Sara Rosenbaum, Elyse Blum, Jules Hochman (father of Carole McConnell), Iris Susser, Robert Perlmutter, Andy Leeds, Jenae Rubin, Marilyn Gnapp (sister of Doris Baker), Caren Vivado, Angela Weiss, Karen Tina Sheskin, Brianna Dalnas, Cathy Spencer-Lane.

teachers of esoteric, spiritual, artistic, and grounded aspects of Judaism. You will help build a conscious community and develop personally motivating spiritual practices. You will have daily and weekly opportunities to explore meditation, yoga, communal prayer, organic gardening, Torah study, the great outdoors, and Shabbat.

Throughout the course of the program, you will dwell in a community rooted in emotional safety, mutual respect, and authentic sharing. This conscious community supports each individual's exploration of self, God, Jewish identity, and personal relationships in a vibrant, deep, and inclusive Jewish context.

Interns generally range in age from 20s to 60s. They come from all over the world and from diverse backgrounds with different levels of Jewish education and practice. Interns may work in recreation (lifeguard at pool and lake, nature hiking, rope course and rock scramble), arts and crafts, children's program, kitchen, housekeeping, retreat and A/V production, &/or guest services.

It is important that interested applicants are: willing and able to work hard and to see work itself as a spiritual practice; willing to co-create and participate wholeheartedly in a respectful and caring, multi-generational and diverse community of interns, staff members, teachers, and retreat participants.

The Internship program costs \$180 including work, all programs, very basic housing, and wholesome kosher meals. Spaces are limited. Acceptance into the program is at the sole discretion of the Summer Internship Coordinator and Isabella Freedman's executive leadership. The program is trans-denominational and inclusive.

Applying to the Program

Please visit [our website](#) for the 2010 Summer Internship Application. Email application to Rhonda Rosenheck at ECinternship@IsabellaFreedman.org. Admission is rolling, with no applications taken later than May 27, 2010.

The program application fee is \$80. If you are accepted as an intern and choose to participate in the program, this \$80 application fee will be applied towards the \$180 Internship Program fee. If you are not accepted into the Internship Program, we will refund your \$80 application fee.

June 7-13 - Haiti Mission

asdf - <http://www.taocenter.net/E-HaitiLetters.html>
<http://www.taocenter.net/E-HaitiPhotos.html>

Join Rabbi Marc and TAO on a mission to Haiti.

How many times have you watched the news and silently commented to yourself, "That's terrible. I wish there was something I could do." Well, now there is. Join Rabbi Marc and other TAO members on a mission to Haiti. Through Father Michel's good work, we identified that we can help rebuild the orphanage's massive rubble heap into livable conditions.

Will you join us? While we are searching for architects, contractors, people in construction, brick layers, medical personnel and the like, the only real requisite is that you are **willing and able to participate in manual labor**.

This mission is not for those who have compromised health or immune systems as you may be exposed to airborne health threats. Please be cautious and make sure you are well enough to handle the elements and the physical labor required.

This is not a resort activity. We cannot guarantee what your living or sleeping conditions will be. We cannot guarantee you will have three square meals a day.

According to CDC (Center for Disease Control), "Before visiting Haiti, you may need to get vaccinations and medications for vaccine-preventable diseases and other diseases you might be at risk for at your destination. Your doctor or health-care provider will determine what you will need, depending on factors such as your health and immunization history, areas of the country you will be visiting, and planned activities. To have the most benefit, see a health-care provider at least 4-6 weeks before your trip to allow time for your vaccines to take effect and to start taking medicine to prevent malaria, if you need it." Please read CDC's article online at wwwnc.cdc.gov/travel/destinations/haiti.aspx for the latest information for Haiti relief workers.

We are trying to block a group of airline seats. Though you will be responsible for your own airfare and incidental costs, please call soon as we need to get an idea of how many people plan to go so that we can negotiate lower airfares.

For more details, call Rabbi Marc.
